H. H. the Maharajah of Mysore.

Sir,

With reference to your letter
No 6650/720 dated 25th February 1868, I
have the honor to request a reference
to my letter No 399 of 1868 dated
14th February 1868 from which it
will be seen that I was aware that
all Graded Members of the Imperial
Establishments must be held
liable to the License Act but, that
owing to the qualifying clauses
regarding the eventual debit of
the pensions of the other members
of the department contained in all
of the orders of the Govt of India
in my profession I was not certain

whether the two individuals were to be superseded or not. I regret to say that the concluding portion of the 2d para of your letter under reply does not enable me officially to act in the matter and I cannot therefore say that you will be good enough to obtain an expression of the Commissioners wishes as to whether the Members of the Department are to take the lists of the Grade of Superior Establishment are to be superseded or not. If there are any further directions on this point which have not been supplied to me, I would be obliged by your kindly informing me of same for my guidance.

Sir,

In reply to your letter No. 484 of the 27th ult., I am directed to state that the Comptroller requires further information on the subject referred to. — It is obviously impossible to state from what Govt. any individual may, many years hence, draw his pension, and the term "prospective advantages" is so vague that the Comptr. cannot explain it — its meaning & his own interpretation. In reporting generally whether any legal opinion has been taken on the subject, or whether such opinion would uphold in its integrity the reading of the Treasury Dept. as regards foreign territory, the Comptr. suggests your referring the matter to the Accountant Genl. P. Wks. —
